

# BLACK DIAMOND MITTEN SIZE CHART

## Black Diamond Glove Sizing Chart.

Palm Girth: Measure around your dominant hand at the knuckles with your fingers together.

Palm Length: Measure from the crease in your wrist (on palm side) to the tip of your middle finger.

Use the larger of these two measurements to determine your glove size from the chart below.

If you are at the top end of any one size and are considering going up to the next largest size, then you probably should.
