

DECLARATION OF CONFORMITY

Tru-Test Limited manufactures the **Patura** brand of electric fence energizers in New Zealand, exclusively for:

PATURA KG
Mainblick 1
D-63925 Laudenbach
GERMANY

These energizers are intended for the containing and/or exclusion of animals.

The Patura brand energizer models:

P4500-EU

P4600-EU

are designed to be operated from either a battery or the supplied battery eliminator.

When operated in conjunction with the supplied battery eliminator, these energizers comply with the EMC Directive (2004/108/EC relating to electromagnetic compatibility and repealing Directive 89/336/EEC, "Council Directive of 3 May 1989 on the approximation of the laws of the Member States relating to Electromagnetic Compatibility") by application of the following harmonised standards:

EN 55014-1

EN 55014-2

EN 61000-3-2

EN 61000-3-3

The Low Voltage Directive (2006/95/EC, "Council Directive of 12 December 2006 on the harmonisation of the laws of Member States relating to Electrical Equipment designed for use within certain voltage limits") is not applicable as electric fence controllers (energizers) are specifically excluded from the Directive's scope (refer Annex II of the Directive).

I declare that the above mentioned products will conform to the requirements for CE marking in the European Community.

Signature

A handwritten signature in black ink that reads "T. F. Otley". The signature is written in a cursive style with a distinct flourish at the end.
