

ISOtunes®

SIDEKICK

Model: IT-59

Color: Matte Black

Bluetooth: Yes

Product: A durable, pocket-sized Bluetooth speaker that goes where you go - clipped on, propped up, or tucked in your tool belt. Built to handle loud worksites and rough conditions, it delivers bold sound, lets you take calls with a built-in mic, and keeps you connected for hours. It's not just a speaker.

Applications: Designed for contractors & DIYers that need widely versatile tools. Demanding environments require highly durable tools that are built for loud worksites and tough conditions.

Standards and Approvals: This product has been tested and complies with FCC, ICID, CE, UKCA, RoHS, and WEEE requirements.

TECHNICAL SPECIFICATIONS

FEATURES:

- IP67 + MIL-STD-810H for toughness that is dustproof, waterproof, and drop-tested - built to survive real jobsite wear and tear
- Double up for bigger sound with dual-speaker Stereo Sound
- Multi-functional attachment with magnetic clip – stand it up or hook it onto your gear
- Large, tactile buttons let you adjust settings easily without taking your gloves off
- Hands-free calls right on the jobsite, no cords or hassle
- Built-in LED Light with three settings (high, low, strobe), that also makes it a tool
- Packs double the bass and volume power when compared to the competition's jobsite speakers
