How to Measure

Chest contour. Measure around the widest point of the chest, keeping the tape horizontal.

Waist contour. Measure around the narrowest point of the waist, keeping the tape horizontal.

Hip contour. Keeping the feet together, measure around the widest point of the hip, keeping the tape horizontal.

How to choose the Right Size

Measures are expressed in centimetres. If the taken measures are between two sizes, choose the smallest if you prefer a tighter fitting or the largest if you prefer a baggier fitting.
